

Jadora

SHEEN COLLECTION

The Sheen collection's distinctive combination of lacquer and wood, along with its varying color options, naturally present boundless interior solutions for both the modern and traditional eye. The lacquer items in the Sheen collection are produced using a combination of solid wood and MDF. The pieces then go through our 9 step finishing process to achieve Jadora's signature Sheen finish. The Sheen finish is available in poppy, modern kelly, chocolate taupe, stark white, classic black, gold leaf and silver leaf.
